

Southeast U.S. Call to Action: Elimination of HPV Cancers as a Public Health Concern Virtual Launch

September 9, 2025 | 10 AM - 12 PM CT/11 AM - 1 PM ET

This virtual meeting will serve as the official launch of the ***Southeast U.S. Call to Action: Elimination of HPV Cancers as a Public Health Concern*** and will explore new HPV cancer elimination resources available through the Southeast Roundtable.

Learn more about:

- The HPV Vaccination Roundtable of the Southeast Elimination priority action area;
- The Southeast U.S. Call to Action and Toolkit: Elimination of HPV Cancers as a Public Health Concern; and
- Existing efforts and opportunities to eliminate HPV cancers across the Southeast.
